SCIENCE Super Science EXPLORERS A Sheeter County Solid Wast

At Chester County Solid Waste Authority

7224 Division Hwy, Narvon, PA 17556

Come Join us for 3 fun and exciting days for children to learn about the wonderful animals and plants in our environment and how to take care of our precious natural resources.

Space is limited for these free programs!

call: 717-355-0220 www.scienceexplorers.com

Who loves science?

Become a Jr. Botanist

We will become Jr. Botanists. We will study the parts of a plant and use plant based dyes to make our own beautiful creations.

Do you know how a flower gets enough food to grow and bloom?

December 13, 2014 (9am-12pm)

Take Care of Mother Earth

We will learn about the importance of taking care of our Earth's soil and water.
We will make our own recycled paper.
Do you know what happens to the stuff we throw away? Do you know the three R's of waste management?

October 11, 2014 (9am-12pm)

Explore the Animals Around Us

We will discover the life cycle of a butterfly and make our own butterfly creations. We will learn about predator—prey relationships and investigate one of our fine feathered friends! Join us for an terrific day!
